In the matter of the application for the enrollment of Nettie Welch and George Welch as citizens by blood of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on May 24, 1906, applications were received at this office for the enrollment, as minor citizens of the Cherokee Nation, of Nettie Welch and George Welch, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137). Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section two of the Act of Congress above noted, Nettie Welch and George Welch are entitled to enrollment as citizens by blood of the Cherokee Nation, and their applications for enrollment as such are accordingly granted.

Linna I. Dick, being by me first duly sworn says that she is the same person who is enrolled as a member of the Cherokee Nation of Indians as Linna I. Reed, and who was later married to Joseph Dick, also a member of the said tribe of Indians, and that she is the mother of the child Arvil Luis Dick, who was born to her and her husband on the 27th. day of December, 1905.

She further states that she is the same person who was married to the said Joseph Dick on January 9th, 1905 as Minnie Reed, and that the error in her name was caused by the fact that her husband did not fully understand it, and she says that she is the same person mentioned in the said marriage license and certificate.

At the same time appeared the said Joseph Dick, and stated on his oath that the statements made by the said Linna I. Dick are true to his certain knowledge.

Q Mr. Adair, do you know anything about the fact of the present Mrs. Adair and the late William T. Akin having been duly married?

A No, sir, they were not married, but they were engaged to be married, they were not married.

Edward H. Adair, recalled, testified:

(1880 roll, No. 74, W. T. Akin, Flint District. The identification seems doubtful owing to the discrepancy in age, he being recorded on the roll of 1880 as 18 years old, and the testimony being that he was only 18 to 21 at the time of his death in 1890.)

Q Do you know whether that child was enrolled in 1890? A No, sir, I don't think it was.

Q Was it enrolled in 1894, did it draw strip money? A No, sir. (Rolls of 1894 and 1896 examined, and the name of the child not found thereon.)

Mr. Adair, in regard to this stepchild, Elanson D. Akin, the identification of his deceased father is questionable on the roll of 1880, but there is no evidence to show, and indeed, so far it is not claimed that the father of this child and the mother of this child were lawfully married, and my understanding of the Cherokee law is that a child follows the nationality of the mother, and the mother appears here as a white woman. She acquired no rights by that marriage, and the child could acquire no rights from her, therefore the application for the child is rejected.

Nor if there is any further evidence that you can find at any time and send it back to the Commission, it will be taken into due consideration.

Bruce C. Jones, being duly sworn, says that as stenographer to the Commission to the Five Civilized Tribes he reported the testimony of the witnesses in the matter of the application for the enrollment of Elanson Dow Akin, and that the foregoing is a full, true and correct translation of his stenographic notes.

 COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the applications for the enrollment of Jessie Lee Ligon and W. A. Ligon as citizens by blood of the Cherokee Nation.

DE C I S I O N

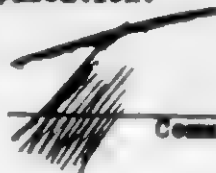

THE RECORDS OF THIS OFFICE SHOW: That on July 23, 1906, application was received at this office for the enrollment as minor citizens of the Cherokee Nation, of Jessie Lee and W. A. Ligon, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicants herein, Jessie Lee and W. A. Ligon, are the minor children of Charles C. Ligon and Ella Ligon, who are not shown to be either regularly enrolled citizens of the Cherokee Nation or persons who had applications for enrollment pending April 26, 1906.

Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

I am therefore of the opinion that I am without authority to receive or consider the applications for the enrollment of Jessie Lee Ligon and W. A. Ligon as citizens of the Cherokee Nation and I hereby decline to receive said application.

The Honorable,

Sir:

I have the honor to transmit herewith a communication from Commissioner Bixby, dated February 15, 1907, enclosing record of proceedings in the matter of the application for the enrollment, under the Act of Congress approved April 26, 1906 (34 Stat.L., 137), of Jessie Lee and W. A. Lignon, as citizens by blood of the Cherokee Nation, including the decision of the Commissioner, dated February 15, 1907, denying the application.

The record shows that the applicants are the minor children of Charles G. Lignon and Ella Lignon, who are not shown to be regularly enrolled citizens of the Cherokee Nation, or persons who had applications for enrollment pending April 26, 1906.

The Office is therefore of the opinion that the decision of the Commissioner, declining to receive or consider the application, is correct, and it is recommended that it be affirmed.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.
MUSKOGEE, IND. TER., OCTOBER 11, 1906

In the matter of the application for the enrollment
as a citizen of the Cherokee Nation of WILLIAM ALBERT DUNHAM.

MAGGIE M. DUNHAM, being first sworn by Charles E. Webster,
testified as follows:

- Q. What is your name? A. Maggie M. Dunham.
Q. How old are you? A. Twenty-three the 29th of last January.
Q. What is your postoffice? A. Loucous Grove.
Q. Are you married? A. Yes sir.
Q. What is your husband's name? A. William Dunham.
Q. Is he a white man? A. Yes sir.
Q. Have you some children? A. Yes sir.
Q. Give their names? Vann Dunham and Addie Ethel Dunham.
Q. Have you another one? A. Yes sir, this one here.
Q. What is its name? A. William Albert.
Q. When was Addie Ethel born? A. In 1904.
Q. What day and month? A. Sixteenth of March.
Q. When was William Albert born? A. In 1906.
Q. What day and month? A. Why the 29th.
Q. Of what month? A. March.
Q. He was born March 29, 1906? A. Yes sir.
Q. Are you positive that that is the correct date of the birth
of your child, William Albert? A. Yes sir, I guess it is.
Q. Are you informed as to the provision of law providing for
the enrollment of the children commonly known as too late
children? A. Sir?
Q. Do you know about the law authorizing the enrollment of these
little too late children? A. At the time I enrolled my baby
I did not.
Q. Which child is that? A. This one.
Q. You made application for the enrollment of your child, William
Albert? A. Yes sir, and I was mistaken about the
time he was born.
Q. What date did you give when you applied for the enrollment
of your child? A. The third day of Marc.
Q. How came you to give that date? A. Well, I was mistaken in
the date. My mother-in-law said it was in February and I did
not think it was in February, and then they got to talking,
and said the child was too late, and I got to studying about
it, and thought he was too late, and I come to straighten it up.
Q. Have you since then learned that a child had to be born and
living before March 4th to be entitled to enrollment?
A. Yes sir, since then I have.
Q. After investigation have you found that this child was born
too late?

- A. Yes sir.
Q. Is your purpose in appearing here to-day to correct the date of the birth of your child as you have heretofore given it?
A. Yes sir, that is my purpose, to correct my mistake that I made.
Q. Has any one tried to intimidate you into changing the date of the birth of your child? A. No sir.
Q. You do it of your own free will? A. Yes sir; At the time I did think he was born in time, I did not know just what the law said, and I was not well, and did not keep an account, and I did not really know just when he was born.

The records of this office show that on May 24, 1906 there were received affidavits signed by Maggie V. Dunham and Martha A. Dunham, as to the birth on March 3, 1906, of William Albert Dunham, child of William and Maggie M. Dunham.

- Q. Is that the affidavit you executed? (Shows affidavit to witness)
A. Yes sir, I guess so.
Q. Is that your signature? A. Yes sir.
Q. Do you desire to state now that it is incorrect? A. Yes sir.

The undersigned, being first duly sworn, states that as stenographer to the Commissioner to the Five Civilized Tribes she correctly reported the proceedings had in the above entitled cause, and that the above and foregoing is a full true and correct transcript of her stenographic notes thereof.

The records further show that on October 11, 1906, Maggie M. Dunham, mother of the applicant, William Albert Dunham, appeared in person before the Commissioner, at Muskogee, Indian Territory, and testified that said child was born March 29, 1906.

Section 2 of the Act of Congress approved April 26, 1906 (34 Stat., 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof,"

I am, therefore, of the opinion that under the provisions of the Act of Congress above quoted, I am without authority to receive or consider the application for the enrollment of William Albert Dunham as a citizen by blood of the Cherokee Nation, and I hereby decline to receive said application.

Dear Sir:

In connection with the application for the enrollment of your child, Georgie England, as a minor citizen of the Cherokee Nation, you are advised that the mother of said child has been identified upon the records of this office as an applicant for enrollment as a citizen by intermarriage of the Cherokee Nation under the name of Nella England. In your affidavit as to the birth of said child you fail to give the name of its mother.

There is enclosed herewith a blank form of birth affidavit which you are requested to have properly executed and return to this office, the name of your wife to appear throughout the same as Nella England.

You are further advised that a certificate of marriage filed with the Commission to the Five Civilized Tribes October 23, 1902, shows that on June 11, 1893, you were married to one Nelly White.

If your deceased wife is identical with the person mentioned in this marriage certificate as Nelly White, you

In the matter of the application for the enrollment of
Ethal Mary House as a citizen by blood of the Cherokee Nation.

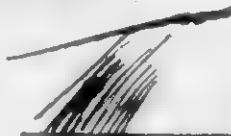

DECISION

THE RECORDS OF THIS OFFICE SHOW: That on May 25, 1906,
application was received for the enrollment, under the provisions
of the Act of Congress approved April 26, 1906 (34 Stat. 137),
of Ethal Mary House as a citizen by blood of the Cherokee Nation.
The records further show that said applicant, Ethal Mary House,
is a child of one Daniel W. House, a non citizen of the Cherokee
Nation, and one Martha House, a duly enrolled citizen by blood
of said Nation, and was born April 13, 1906.

The Act of Congress approved April 26, 1906 (34 Stat. 137),
in part provides:

"That for ninety days after approval hereof
applications shall be received for enrollment of
children who were minors living March fourth,
nineteen hundred and six, whose parents have been
enrolled as members of the Choctaw, Chickasaw,
Cherokee, or Creek tribes, or have applications
for enrollment pending at the approval hereof"

I am, therefore, of the opinion that under the provisions
of the Act of Congress above quoted, I am without authority to
receive or consider the application for the enrollment of Ethal
Mary House as a citizen by blood of the Cherokee Nation, and I
herely decline to receive said application.

Sir:

Receipt is acknowledged of your letter of July 18, in which you state that you understand the Cherokee New Borns have won their suit, and request that you be sent the deed to the allotment of your minor daughter, Ruth Iona Hurd.

In reply thereto you are advised that while the Supreme Court of the District of Columbia has rendered a decision in the suit affecting the rights of New Born Cherokees, which sustained their right to enrollment and allotment, the case is not closed, as an appeal has been taken from that decision, and until the case has been finally closed no certificates can be issued any of this class.

The marriage license requested by you is inclosed herewith.

Respectfully,

Dear Madam:

In reply to your letter of December 28, 1906, asking to be advised if you can be permitted to make an allotment selection for your minor child, James R. Johnson, you are advised the records of this office show that the name of your child has not yet been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that your child is, prima facie, entitled to enrollment, and if this be correct, you will be permitted to appear at any time in the near future and make an application for the selection of an allotment of land in the Cherokee Nation for your said child, and in the event of his final enrollment, the land for which you apply will be allotted to him.

You will be promptly informed when your child is finally enrolled as a citizen of the Cherokee Nation.

Dear Sir:

In connection with the application for the enrollment of your children, Willie and Eli Moore, as citizens of the Cherokee Nation, you are advised that in the affidavit as to the birth of your child, Eli Moore, the notary before whom the affidavits of the mother and the attending midwife were executed failed to affix his notarial seal thereto.

There is enclosed herewith a blank form of birth affidavit, which you are requested to have properly executed and return to this office, the seal of the notary before whom the affidavit is executed, to be affixed to each separate affidavit. This matter should receive your immediate attention.

You are requested to return this letter with the affidavit.

Dear Sir:

In reply to your letter of December 21, asking to be advised if you can be permitted to make allotment selections for your minor children, Eli and Willie Moore, you are advised the records of this office show that the names of your children have not yet been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that your children are, prima facie, entitled to enrollment, and if this be correct, you will be permitted to appear at any time in the near future and make applications for the selection of allotments of land in the Cherokee Nation for your said children, and in the event of their final enrollment, the land for which you apply will be allotted to them.

You will be promptly advised when your children are finally enrolled as citizens of the Cherokee Nation.

In the matter of the application for the enrollment of
Little Terrapin as a citizen by blood of the Cherokee Nation.

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That on July 24, 1906, application was received at this office for the enrollment as a minor citizen by blood of the Cherokee Nation, of Little Terrapin, under the provisions of section two of the Act of Congress approved April 26, 1906 (34 Stat., 137). Further proceedings in the matter of said application were had at Muskogee, Indian Territory, February 25, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Little Terrapin, is the minor child of Charlie Terrapin and Callie Terrapin, both regularly enrolled citizens by blood of the Cherokee Nation; that the said Little Terrapin was born to his said parents March 21, 1906.

Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

I am, therefore, of the opinion, that under the provisions of Section two of the Act of Congress above noted, I am without authority to receive or consider the application for the enrollment of said Little Terrapin as a citizen by blood of the Cherokee Nation, and I hereby decline to receive said application.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,

WASHINGTON,

March 4, 1907.

(COPY)

The Honorable,

The Secretary of the Interior,

Sir:

I have the honor to transmit herewith eight communications from Commissioner Kirby, enclosing the records and decisions in the following Cherokee citizenship matters:

21842-1907, Charlie T. Baker, applicant for enrollment as a citizen of the Cherokee Nation, of Shawnee blood. The applicant bases his right to enrollment on the fact that he is the son of Victoria Baker, deceased, alleged to have been a Shawnee Indian. The records of the Commissioner's office do not show that Victoria Baker is identified on the Shawnee register, or that she has ever been recognized in any manner as a citizen of the Cherokee Nation, or that her name appears on any roll of Cherokee citizens. The application is denied for that reason.

21845-1907, John A. Parker, Joseph A. Parker, William E. Parker, Charley Parker, and Hayden Parker, as citizens by blood of the Cherokee Nation. The applicants in this case were denied enrollment by the Commission, under the Act of July 10, 1896, and no appeal was taken therefrom. The applicants' record further shows that none of the applicants are identified on any tribal roll of the Cherokee Nation. The Commissioner declined to receive or consider the application, for the reason that there is no authority of law for receiving or considering the application.

21846-1907, John Tillery, Sarah E. Tillery, his wife, and their children, Nancy Gann, Cara A. Williams, Rachel E. Murphy, Charles V. Tillery, Hinda B. McDaniel, and Maggie E. Blackwell, grandchildren of John A. Bradshaw, Parley M. Bradshaw, May May Murphy, Sarah J. Murphy, Stella Bird, and Johnny Bird, applicants for enrollment as citizens of the Cherokee Nation, denied for the reason that no application of any character whatsoever was made for enrollment of any of these parties prior to December 1, 1906, and therefore there is no authority of law for receiving the original application at this time.

21850-1907, Dan/ Andrew, Richard, Fannie, Bennie, Matilda, Julius, Tom and Luther Gillard, applicants for enrollment as citizens of the Cherokee Nation, under the provisions of the Act of April 26, 1906 (34 Stat.L., 137), denied for the reason that the records do not show that any of these applicants was ever admitted to citizenship in the Cherokee Nation by any duly constituted court or commission of the Nation having jurisdiction of citizenship matters, or by the Commission to the Five Civilized Tribes, the United States Court in the Indian Territory on appeal, or that any of them have ever been recognized in any manner as citizens of the Cherokee Nation. The Commissioner denied their enrollment, for the reason that under the provisions of the Act of May 31, 1900, he was without authority or jurisdiction to receive or consider or make any record in the matter of their application.

21852-1907, Carrie Caroline Burnar, applicant for enrollment as a citizen by blood of the Cherokee Nation; denied for the reason

that no application of any character was made for her enrollment prior to December 1, 1906, and there is therefore no authority of law vested in the Commissioner for receiving original applications at this time.

1853-1907, Little Terrapin, applicant for enrollment as a citizen by blood of the Cherokee Nation, under the provisions of the Act of April 26, 1906 (34 Stat.L., 127),. The record shows that the applicant was born March 21, 1906, and was not therefore a person living March 4, 1906, and denied enrollment, for the reason that no authority of law exists for considering the application.

1864-1907, Louisa E., Minnie Nettie, Leah Adeline, nee Almada, Julia, Mattie, Newton Martin and Arthur Albert McKeller, Ella May and Willie Arthur Collier, applicants for enrollment as citizens by blood of the Cherokee Nation. The applicants were denied enrollment by the Commission, under the Act of Congress of June 10, 1896, and no appeal was taken therefrom. Their names are not identified on any tribal roll of the Cherokee Nation, nor does it appear that they have ever been admitted to citizenship by any court or commission having jurisdiction over Cherokee citizenship cases, or that they have been recognized in any manner as citizens of the Cherokee Nation, and were denied enrollment for this reason.

1856-1907, Nancy Swimmer, applicant for enrollment as a citizen of the Cherokee Nation. The applicant was born in 1894, and is shown to be a full-blood Cherokee Indian, but the evidence does not show that she is the descendant of persons who were ever

-4-

recognized or enrolled as citizens by blood of the Cherokee Nation. The Commissioner reports that every effort has been made to identify the parents of this applicant on the tribal rolls, but such information had not been secured. The application is therefore denied.

The Office has examined the decisions of the Commissioner in each of the above cases, and is of the opinion that his decision in each is correct, and it is recommended that they be affirmed.

Very respectfully,

G. F. Larrabee,

Acting Commissioner.

Dear Madam:

In reply to your letter of December 31, 1906 asking to be advised if you can be permitted to make an allotment selection for your minor child, Russell Peak, you are advised the records of this office show that the name of your child has not yet been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that your child is, prima facie, entitled to enrollment and if this be correct, you will be permitted to appear at any time in the near future and make an application for the selection of an allotment of land in the Cherokee Nation for your said child, and in the event of his final enrollment, the land for which you apply will be allotted to him.

Susan H. Peak-8

You will be promptly informed when your child is finally enrolled as a citizen of the Cherokee Nation.

That part of your letter relative to land heretofore selected by applicants for enrollment as citizens of the Cherokee Nation by intermarriage, will be made the subject of a separate communication.

Dear Madam:

In reply to your letter of January 15, 1907, asking to be advised if you can be permitted to make an allotment selection for your minor child, Macie White you are advised the records of this office show that the name of your child has not yet been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that your child is prima facie entitled to enrollment, and if this be correct, you will be permitted to appear at any time in the near future and make an application for the selection of an allotment of land in the Cherokee Nation for your said child, and in the event of her final enrollment, the land for which you apply will be allotted to her.

You will be promptly informed when your child is finally enrolled as a citizen of the Cherokee Nation.

Respectfully,

H.R.C.

In the matter of the application of Beeky Hawk, formerly Beeky Feather for enrollment as a citizen by blood of the Cherokee Nation.

SUPPLEMENTAL TESTIMONY.

Beeky Hawk, being sworn and examined by the Commission, testified as follows:

(Through sworn official interpreter George Ballou)

- Q What is your name? A Beeky Hawk.
Q How old are you? A 22.
Q What is your postoffice? A Stilwell.
Q Are you a Cherokee by blood? A Yes sir.
Q Under what name were you enrolled? A Beeky Feather.
Q Are you married? A Yes sir.
Q What is your husband's name? A Dick Fishinghawk. She says when they enrolled him they put down Dick Fishinghawk, but the right name is Dick Hawk.
Q Were you married to Dick Hawk when you were enrolled? A Yes sir.
Q They should have enrolled you then as Bucky Hawk instead of Beeky Feather, is that right? A The Commission told to put her down that way as she stayed with a man named Scaley Feather, and they just enrolled her as one of the family.
Q How long have you and Dick Hawk been married? A About 7 years ago.
Q Is Dick Hawk a citizen of the Cherokee Nation? A Yes sir.
Q He is the man we have been trying to find on the rolls for the last two or three days and can't find, isn't he? A Yes sir.

I, May Hudson, state upon oath that as stenographer to the Commission to the Five Civilized Tribes I correctly recorded the supplemental testimony in this case and that the foregoing is a true and complete transcript of my stenographic notes thereof.

In the matter of the application for the enrollment of David Henry Lewis as a citizen by blood of the Cherokee Nation.

D E C I S I O N

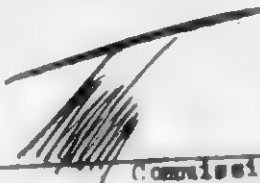

THE RECORDS OF THIS OFFICE SHOW: That on July 25, 1906, application was received at this office for the enrollment, as a minor citizen of the Cherokee Nation, of David Henry Lewis, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, David Henry Lewis, is the minor child of one D. S. Lewis, a non citizen white man, and Luetta Lewis, a regularly enrolled citizen by blood of the Cherokee Nation, who were united in marriage in the year 1905; that the said David Henry Lewis was born to them in lawful wedlock April 23, 1906.

Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section two of the Act of Congress above noted, I am without authority to receive the application for the enrollment of David Henry Lewis as a citizen by blood of the Cherokee Nation, and I hereby decline to receive said application.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON.

February 28, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

There is enclosed a report from the Commissioner to the Five Civilized Tribes, dated February 1, 1907, transmitting the record relative to the application made on July 25, 1906, for enrollment of David Henry Lewis as a citizen of the Cherokee Nation. On February 1, 1907, the Commissioner held that the applicant was not entitled to enrollment.

The evidence shows that the applicant was born on April 23, 1906, and is the child of D. S. Lewis, a non-citizen, and Luetta Lewis, a regularly enrolled citizen by blood of the Cherokee Nation. Under the act of April 26, 1906 (34 Stat. L., 132), the applicant was born too late for enrollment.

It is therefore recommended that the decision of the Commissioner adverse to the applicants be approved.

Very respectfully,

C. F. Larrabee,

Acting Commissioner.

The records seem to show, however, that said children are, prima facie, entitled to enrollment, and if this be correct, the father of said children may appear at any time in the near future and make allotment selections for said children, and in the event of their final enrollment, the land applied for will be allotted to them.

Dear Madam:

In reply to your letter of January 8, 1907, asking to be advised if you can be permitted to make an allotment selection for your minor child, Evert E. Slape, you are advised the records of this office show that the name of your child has not yet been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that your child is prima facie entitled to enrollment, and if this be correct, you will be permitted to appear at any time in the near future and make an application for the selection of an allotment of land in the Cherokee Nation for your said child, and in the event of his final enrollment, the land for which you apply will be allotted to him.

Dear sir:

In reply to your letter of January 15, asking to be advised as to the enrollment as a citizen of the Cherokee nation of your child, Claudine Cloud, you are advised that the records of this office show that the name of your child has not yet been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that your child is, prima facie, entitled to enrollment, and if this be correct, you will be permitted to appear at any time in the near future and make an application for the selection of an allotment of land in the Cherokee nation for your said child, and in the event of his final enrollment, the land for which you apply will be allotted to him.

You will be promptly informed when your child is finally enrolled as a citizen of the Cherokee Nation.

Dear Sir:

In reply to your letter of January 21, 1907, asking to be advised as to the enrollment of your minor child Anna May Dilldine, you are advised the records of this office show that the name of your child has not yet been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that your child is prima facie entitled to enrollment, and if this be correct, you will be permitted to appear at any time in the near future and make an application for the selection of an allotment of land in the Cherokee Nation for your said child, and in the event of her final enrollment, the land for which you apply will be allotted to her.

You will be promptly informed when your child is finally enrolled as a citizen of the Cherokee Nation.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Vaudie Skaggs as a citizen by blood of the Cherokee Nation.

DECISION

THE RECORDS OF THIS OFFICE SHOW: That on May 31, 1906, application was received at this office for the enrollment, as a minor citizen of the Cherokee Nation, of Vaudie Skaggs, under the provisions of Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Vaudie Skaggs, is the minor child of one Hiram Skaggs, a non citizen white man, and Sarah Skaggs, an alleged Cherokee by blood, and possesses no right to enrollment as a citizen of the Cherokee Nation not possessed by her said parents. It is further shown that on January 17, 1907, the application for the enrollment of said Sarah Skaggs as a citizen by blood of the Cherokee Nation, was denied by the Commissioner to the Five Civilized Tribes, and his decision was, on that date, forwarded the Department for review.

Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That Vaudie Skaggs is not entitled to enrollment as a citizen by blood of the Cherokee Nation, and her application for enrollment as such is accordingly denied.

Commissioner.

Dear Madam:

In reply to your letter of January 10, asking to be advised if you can be permitted to make an allotment selection for your minor child, Arthur J. Walker, you are advised the records of this office show that the name of your child has not yet been placed upon a schedule of citizens of the Cherokee Nation and approved by the secretary of the Interior. The records seem to show, however, that your child is, prima facie, entitled to enrollment, and if this be correct, you will be permitted to appear at any time in the near future and make an application for the selection of an allotment of land in the Cherokee Nation for your said child, and in the event of his final enrollment, the land for which you apply will be allotted to him.

You will be promptly informed when your child is finally enrolled as a citizen of the Cherokee Nation.

THE RECORDS OF THIS OFFICE SHOW: That on July 2, 1906 application was received at this office for the enrollment of Bertha Corntassel as a minor citizen by blood of the Cherokee Nation, under the provisions of Section Two of the Act of Congress approved April 26, 1906, (34 Stat., 137). A copy of certain proceedings had at Westville, Indian Territory, July 20, 1900, before the Commission to the Five Civilized Tribes in the matter of the application of Louisa Wolf for the enrollment of herself and child as Cherokee citizens is filed herewith and made a part of the record herein.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Bertha Corntassel, is the minor child of Thomas Corntassel, a regularly enrolled citizen by blood of the Cherokee Nation, and Louisa Corntassel, nee Louisa Wolf, whose name appears upon the approved partial roll of citizens by blood of the Cherokee Nation opposite No. 1359, and who testifies in the proceedings had at Westville, Indian Territory, July 20, 1900, before the Commission to the Five Civilized Tribes, for the enrollment of herself and child, that her name twenty years ago was Jennie Wolf; that said parties were united in marriage on April 5, 1903; that the said Bertha Corntassel was born to them on March 17, 1903 and named Bertha Corntassel, and was living March 4, 1906.

Section Two of the Act of Congress approved April 26, 1906, (34 Stat., 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw Chickasaw, Cherokee or Creek Tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this Section illegitimate children shall take the status of the Mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That, under the provisions of Section Two of the Act of Congress above noted, Bertha Corntassel is entitled to enrollment as a citizen by blood of the Cherokee Nation, and her application for enrollment as such is accordingly granted.

- Q Have you been employed by the Commissioner to the Five Civilized Tribes as official interpreter for the purpose of securing information concerning the children of certain full blood Cherokees? A Yes sir.
- Q Where do you keep the information thus obtained? A In a book furnished me by the Commissioner.
- Q Can you give any information concerning the applicant herein, Reader Jones? A Yes sir. On the statement of Jennie Long and Jennie Shell, they both waited on Martha Jones who lived with Will Jones and not Cobb Jones, on the 25th day of December 1903 when Reader Jones was born.
- Q Born to Will and Martha Jones? A Yes and she was living on March 4, 1906.
- Q Did you see the child? A Yes, the last of January.
- Q Will and Martha Jones both living? A Living, but living with different parties now.
- Q Were they living together as man and wife according to the Cherokee custom at the time of the birth of this child? A Yes.
- Q Who is Will living with now? Well he's not living with her, the old lady's mother won't let him come there. Her name is Killie English.
- Q Who is Martha living with now? A a fellow by the name of Will Bolin.
- Q You state that they were living together as husband and wife at the time of this child's birth and it is considered a legitimate child? A That is the information of these two ladies who waited on the woman.
- Q Give the names of Will Jones' parents? A I haven't got that.
- Q The mother's parents? A I haven't got them either.
- Q Both full bloods? A Yes sir.
- Q Opposed to having this child enrolled? A Now I can't say the man wouldn't give me no information on it and the mother of the child was about 15 miles from Stilwell and I didn't get to see her at all.
- Q What is your idea about it? A I think they are probably both opposed to it.
- Q Did you see the child? A Yes sir, Jennie Long, the grandmother had the child with her.
- Q You say Jennie Long is the child's grandmother? A Yes.
- Q On what side? A On the mother's side. She was Martha Jones' mother.
- Q When did you see this child? A The last of last January.

Q Then you think Martha Jones' maiden name was Long? A Yes sir.
Q Is that all you can give about this? A Yes.

Dear Sir:

In order to determine the right to enrollment as a citizen of the Cherokee Nation of Reader Jones, born December 24, 1903, child of Martha Jones, said to be a Cherokee by blood, it will be necessary to secure information as to whether or not Martha Jones is a citizen of the Cherokee Nation, and if so, to secure information by which she can be identified upon the records.

Information is also necessary to determine who the father of said child is, and as to whether or not he is an enrolled citizen of the Cherokee Nation. The father of this child is supposed to be a son of Reader and Rosa Jones, whose postoffice address is given as Stilwell.

The Commissioner is in receipt of information in connection with the enrollment of this child tending to show that its father is "Bill" Jones, a son of Reader Jones, but the records show that the William Jones who is enrolled
